## Programs

### Heroes

This is a community-based program that was launched in 2017 to leverage the power of sport as an effective method for tackling issues such as:

- High number of children not in school
- Teen pregnancies
- Child marriages
- Drug and alcohol abuse
- Gender-based violence.

Heroes provides free sporting activities through safe centres to children in underserved areas of Zimbabwe by utilizing existing schools, sports centres, fields, and volunteer coaches from within communities.

### Other Programs

- Water safety and drowning prevention
- Coach Training

### About Pindula

Pindula is a place to find information about local things on the internet. We do it a lot like Wikipedia, except everything is hyper-local. We started work on Pindula because we needed something like it. There's so little useful information about local things online and we're working to change that
