National Oil Company of Zimbabwe (Noczim) was a government-owned company that imported and distributed fuel in Zimbabwe. The company was unbundled in 2011 resulting in the creation of the [National Oil Infrastructure Company of Zimbabwe](#) (NOIC) and [Petrotrade](#).^[1]

About Pindula

Pindula is a place to find information about local things on the internet. We do it a lot like Wikipedia, except everything is hyper-local. We started work on Pindula because we needed something like it. There's so little useful information about local things online and we're working to change that
