Nikki got into radio after she saw an advert in a Sunday newspaper and decided to audition for the job at Star FM.

*“I saw an article in a newspaper at church advertising for the auditions. I went for the auditions which had more than 1 500 people. At that time my daughter who is five now, was two years old. I went with her. I remember asking [KVG](#) (Kudzai Violet Guwara) who by then was a total stranger to me, to hold my baby while it was my turn to go for my auditions. Surprisingly I got in. I got the job that day,” [\[1\]](#)*

## About Pindula

Pindula is a place to find information about local things on the internet. We do it a lot like Wikipedia, except everything is hyper-local. We started work on Pindula because we needed something like it. There's so little useful information about local things online and we're working to change that
