**Rutendo Benson Matinyarare** is a Zimbabwean internet video creator who is based in South Africa. He regularly posts short videos on Facebook in which he makes jokes about various things.

In December 2016, he made a controversial video in which he encouraged [Shona](#) men to get [Ndebele](#) girlfriends as [Small houses](#) in order to frustrate the Ndebele people's wishes to create their own country independent of Zimbabwe.

The video went viral and was met by angry reaction from people who accused him of being tribalist. He subsequently posted a video apologising for the what he said was satire gone wrong.

### About Pindula

Pindula is a place to find information about local things on the internet. We do it a lot like Wikipedia, except everything is hyper-local. We started work on Pindula because we needed something like it. There's so little useful information about local things online and we're working to change that
