## About Pindula

Pindula is a place to find information about local things on the internet. We do it a lot like Wikipedia, except everything is hyper-local. We started work on Pindula because we needed something like it. There's so little useful information about local things online and we're working to change that

To join the Pindula community of editors, please go to <https://contribute.pindula.co.zw?> or just get in touch with us on **WhatsApp: +263 77 770 7852.**
